Manufacturer Provided Description

With more living space, a larger galley, and huge deck, the Osprey Pilothouse 26 Long Cabin gives greater livability for families while, offering the high performance and quality you've come to expect from Osprey Pilothouse. Standard features are fabric upholstery, shower, CD player, and full galley with extra deep sink for the chef in the family. Shore power is also standard, as well as a seawater washdown system, a substantial radar arch, transom door, and swim shelf. Additional options include a full stand-up head and flip-flop cabin seat that allows you face forward or turn around to join the party in the spacious dinette. If you have a big family, or just need the extra room, with two layouts to choose from the 26 Long Cabin is the ideal choice - combining extra comfort with the performance you'd expect from a power fishing cruiser.

Power options include a single gas or diesel stern drive, a single outboard, or twin outboard.
